●日本少年北野堅為了追尋喜愛的女生幼敏，來到了韓國。由於他打架功力及男子氣概被當地的流氓看上，於是成為流氓組織的老大。就在此時，他捲進了熟識的女服務生miss柳與黑道間的麻煩，因而引發了衝突。在輸給了混血保鏢邦富之後，阿堅等五人看清自己的實力，決定聽從泰秀的建議，到山上的寺院閉關，進行地獄般的訓練。十個月的修行結束後，輕易地就把再度展開對決的garugi組給消滅了。第2部的發展，將從警官幼敏與成為黑道成員的阿堅再會的場景開始！

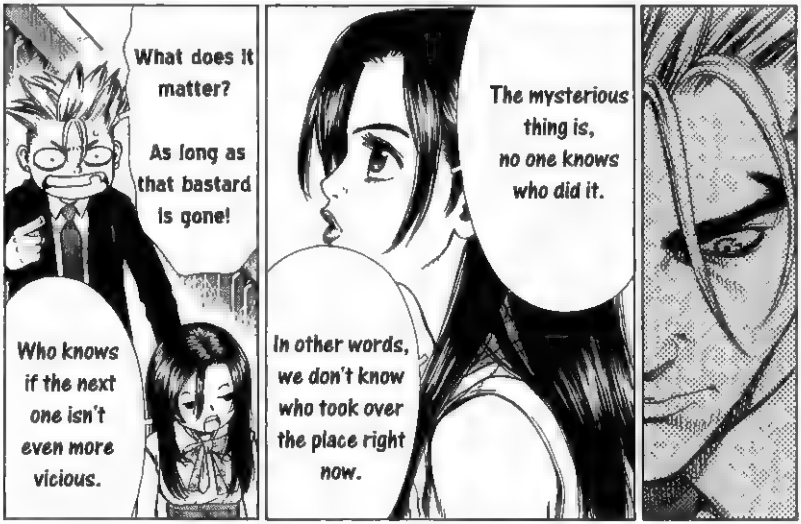
For our future

Yesterday, the inspector came to our department for an announcement.
I got to tell you
Hold a little hope?

WAIT! YOU SAID INSPECTOR!
IS THAT THE GUY IN THE CAR WITH YOU?
Anyway, inspector said, the gang garugi is already eliminated.
Their boss just disappeared, not even an underling is left.



What does it matter?
As long as that bastard is gone!
Who knows if the next one isn't even more vicious.
The mysterious thing is, no one knows who did it.
In other words, we don't know who took over the place right now.

As a police officer, I need to find them and take them to justice.
There is no way they can possess a kind heart.
The next leader could only be more cruel, and evil.

ARE YOU WILLING TO JOIN MY TEAM?
RECENTLY I'VE BEEN TASKED TO FORM A ANTI TRIAD TEAM.
THEREFORE I'M HOPING YOU'RE INTERESTED.

2nd you speak japanese well, its a very big asset for us.
3rd, base on my observations,
I've concluded my reasons ...

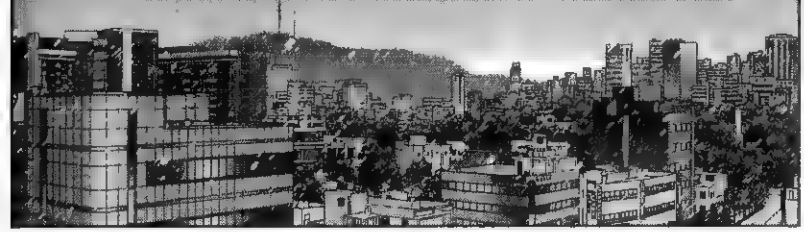
Then do you agree if that type of mafia should exist?
If the mafia's aim is to work with the government,
to become part of the country.
Before I give you my answer, I have a question for you.

I DON'T CARE WHAT THEIR MOTIVE IS,
BECAUSE, MY JOB IS TO ARREST THEM.
DOES THAT ANSWER YOUR QUESTION?

...
Then from now onwards, please guide me.
When I joined the [Garugi Group] battle,
Yumin joined the anti triad team.
This decision for Yumin, could be the escape she was looking for.



But Yumin's fate was not changed so smoothly.
Time passes...

LISTEN TO ME WELL, HUZIMI REI!
YUMIN HAS BEEN MISSING FOR THREE YEARS!
YOU HAVE BEEN IN KOREA FOR TWO!
YOU SAY YOU STILL CAN'T FIND HER?
YOU THINK THAT'S ACCEPTABLE?
IF SHE BETRAYED ME, YOU BRING HER BACK, EVEN IF SHE'S IN A BODYBAG!
IF YOU STILL CAN'T FIND HER, I'LL KILL YOU AS WELL!

that is the road Yoshizawa "Yumin" has chosen.

Sorry!
Those who lays a hand on a woman of the Yoshizawa house...
Sorry, Rei!

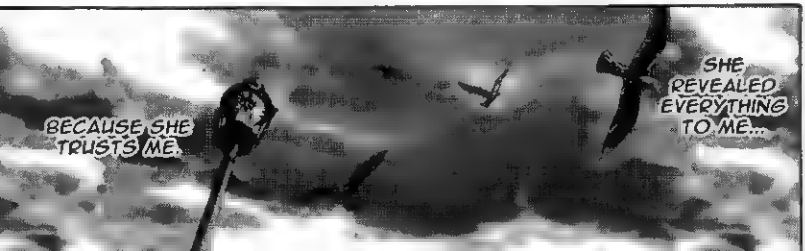
WHEN I WAS YOUNG,
I HAD A FAMILY AND A DREAM.

ALL THIS TIME, SHE ENCOURAGED THE ME WHO HAD WENT THROUGH SIMILAR HARDSHIPS.
AND AT THE SAME TIME,
A GUY LIKE ME ALSO BECAME THE PILLAR SHE RELIED ON

I NEVER THOUGHT THAT YUMIN WAS THE SAME AS ME.
LOSING ALL HER LOVE ONES AT THE AGE OF 15.
Damn it! I can't believe I never realized!

BUT THEN I LOST EVERY-THING...
UNTIL I MET YUMIN.



BECAUSE SHE TRUSTS ME.
SHE REVEALED EVERYTHING TO ME...

How am I supposed to return these feelings?
But I...
Wow!
This is the island's famous grilled clams

Let me grill it for you, try it.
Drink all the soup in one sip.

wow! Tastes great! the soup is hot and the clam is chewy...
It's a bit salty, but tastes great!

I'd rather not press her with more questions, but...
After Yumin told me everything, we didn't go back to the subject
I can't let this continue!
I must tell her how I feel...

You live in this building?
thanks for driving me home.
Nothing... See you around then.
Hm?
Um... Ken...

Yumin.

Thank you for telling me everything.
After hearing everything you had to say.
I got to thinking.
I think I should still tell you this.

When I was small, I had family,
and I had my own dreams.
But like you, I lost everything when I was 13.

My parents were killed in the war that the white dragon clan waged in Kansai.
They were killed by your father's men

But none of that matters now.
Ever since I met you, I've regained some of the things I lost.
Even so right now.
So I believe this will hold true in the future.
No matter how this world changes, You're still you.
So... even if it's not for me, I don't care...

You must forget your past,
and cling onto your happiness!

DON'T TELL ME YOU WENT ON A DATE? "HO!"

Can I take paid leave?
Oh! I was on an island sorting out my feelings.

KEN! WHERE'D YOU DISSAPEAR TO?
YOU HAD US WORRIED, WE COULDN'T EVEN GET A HOLD OF YOU!
LET'S FIRE THE BOSS RIGHT NOW!

But I couldn't be completely honest to her
Yumin told me everything
KOOM!
I still couldn't tell her that I'm actually part of the Korean underworld
Even though she told me she was the daughter of a yakuza boss...
VROOM!
But...
VROOM!

VROOOOM!!

The fact that I don't care whose daughter Yumin is
Is definitely from the heart

No! I'll never forgive Yoshizawa Ryu!
but this doesn't mean I forgive her father.

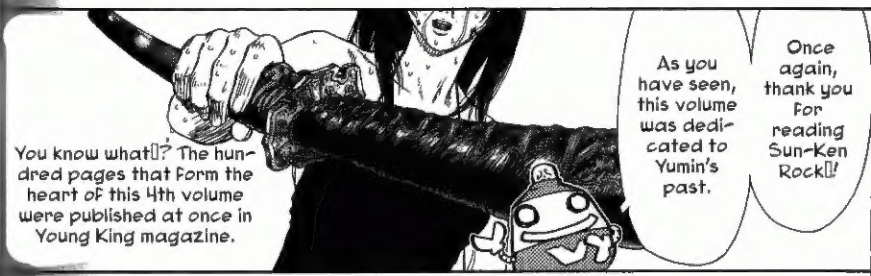
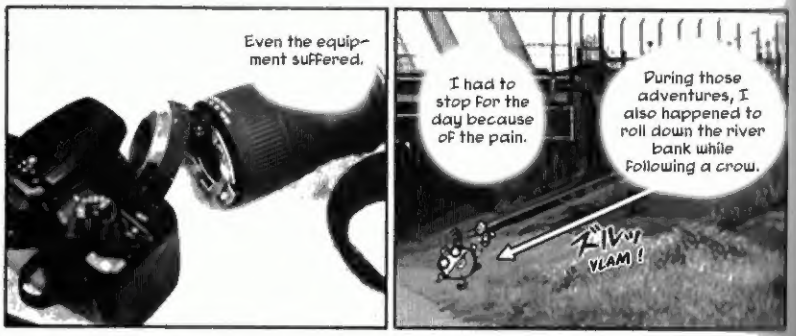
We also went to the Tsukiji Market to take pictures of those birds. Alas they where very few... a huge deception...
One of the pic taken that day.
But obviously, the problem rather was because of the one holding the camera... me!
Thinking that our failure was because of our equipment, I even bought a really expensive lens



You know what!? The hundred pages that form the heart of this 4th volume were published at once in Young King magazine.
As you have seen, this volume was dedicated to Yumin's past.
Once again, thank you for reading Sun-Ken Rock!!



Even the equipment suffered.
I had to stop for the day because of the pain.
During those adventures, I also happened to roll down the river bank while following a crow.

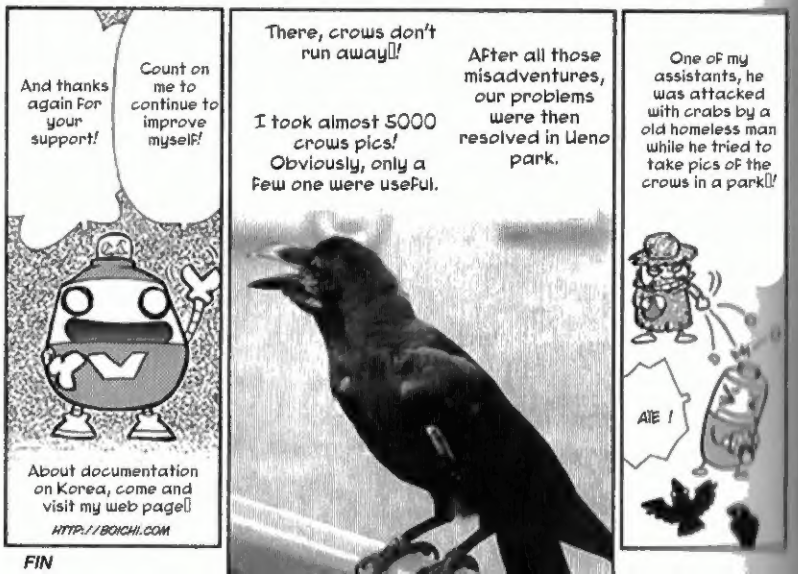
To draw Mont Fuji, I used the pictures I took from the train and plane.
But for my work, I used only a handful.
I visited Kyoto twice and took a good thousand pics!
To achieve this volume, I had to carry a big job of documentation for several month!



And thanks again for your support!
Count on me to continue to improve myself!

There, crows don't run away!!
I took almost 5000 crows pics! Obviously, only a few one were useful.
After all those misadventures, our problems were then resolved in Ueno park.
One of my assistants, he was attacked with crabs by a old homeless man while he tried to take pics of the crows in a park!!

Every morning, at daybreak, we went to chase the crows nesting near the dried, riverside of our hotel.
What was the hardest to take pictures of, was the crows needed as a model!
